## ABOUT OUR UNIVERSITY

Inspired by Dr. Jose G. Tamayo and his wife, Dr. Josefina Laperal Tamayo's commitment and belief in the betterment of life through national development and transformation, Dr. /BGen. Antonio Laperal Tamayo and Dr. Daisy Moran Tamayo founded the Perpetual Help College of Rizal (PHCR) on February 5, 1975.

The four-story school building was established along Alabang-Zapote Road, Las Piñas City and it catered to 185 students in the first two academic programs offered by the College – the Bachelor of Science in Nursing and the Secondary Course. The school expanded its reach when it established two (2) branches in 1995 and in 1996, the Molino and Calamba campuses respectively. The Molino Campus started its operations with an initial enrolment of 700 students while the Calamba Campus opened with 367 enrollees. From these small beginnings, the school began to expand in terms of curricular programs, faculty, research, community service, infrastructure, and professional development. Finally in 1997, PHCR recorded a milestone when it received its university status from the Commission on Higher Education (CHED).

On May 18, 2017, CHED through the Chairman, Dr. Patricia Licuanan conferred upon the University of Perpetual Help System DALTA Las Piñas Campus the Autonomous Status. This recognition was received by UPHSD President Anthony Moran Tamayo during the awarding ceremony for higher education institutions and quality assurance partners in celebration of the 23rd founding anniversary of CHED.

Today, UPHSD is continuing its efforts to achieve its objective of maintaining and sustaining excellence in education. It has instituted an extensive network of national and international linkages in higher education and business.

The University of Perpetual Help System DALTA continuously subscribes to the institutional philosophy that national development and transformation is predicated upon the quality of education of its people. It is committed to the ideals of teaching, community service and research, with "Character Building is Nation Building" as its guiding principle.

## WHY TO CHOOSE THE UPHSD

University of Perpetual Help System Dalta (UPHSD) has been providing quality education for 45 years. We nurture students to become accomplished professionals who get employed not only in the Philippines but also abroad. We focus on the total development of our students, beginning with character building to mastery of skills, thus enable our graduates to get ahead in their careers.

We ensure high quality education to make students more competent. Our experience in the past forty five years have allowed us to develop a comprehensive curriculum that allows students to understand and master the subject matter fully, enriching their learning experience. We own and maintain a tertiary teaching and training hospital where students learn and acquire skills required by their healthcare professions.

Our students are surrounded in an environment that encourages proficiency in their chosen field, whether it is in the Medical Field, Hospitality Industry, Law, Aviation, Education or Criminology. This immersion in a workplace environment creates graduates that are mentally and emotionally ready to face the challenging demands of the real world.

As a result, the school boasts of board top notchers and graduates that excel in their chosen careers. Every year, a UPH graduate emerges at the top ten of certified board exams. We work hand in hand with our students to ensure that they learn for understanding, from the classroom to the review session, and this is clearly reflected after they graduate. Bobby R. Punzalan II placed 9th with a score of 91.80% in the January 2013 Marine Deck Officer Licensure Examination.

Our institutional passing rates are consistently higher than the national passing rates. The College of Dentistry continuously obtains a 100% passing rate in the dentistry board exam since 2007. The College of Pharmacy garnered an 84.21% institutional passing rate versus the national passing rate of 54.28%, making it one of the Top 12 Best Performing Colleges of Pharmacy nationwide in the January 2013 licensure examination. In the latest Marine Deck Officer Licensure Examination, the College of Maritime posted an 80% institutional passing rate against the national passing rate of 55.09%.
